 - ⑤ **Audio message** after the verification.
 - ⑤ **Battery backup** for internal data storage and internal time clock.
 - ⑤ PIN and Fingerprint Verification.
 - ⑤ RS 232 / 485 cabling connection

Specifications :

Type	Optical
User Capacity	1450
Transaction Storage	30,000
Verification time	1~ 2 seconds
False Accept Rate	0.0001%
False Refuse Rate	0.01%
Hint Voice	English / Chinese
LCD Display	English / Chinese
Dimension (mm0	220 x 160 x 40
Power Supply	220v AC
Power Consumption	< 5w
Operating Temperature	0°C - 45°C
Operating Humidity	25% - 80%
